

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it will really be to tidy up your home after having a big party, with out help from cleaning equipment. Back in the day, when carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the best cleaning supplies back then.

The man who established Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who really liked to work on electrical motors. After founding his business during 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's vision from the start was to have a worldwide company marketing merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by a single person in view of the fact that it only weighed 17.5 kilos! This invention came in a time where various cleaning equipment were massive and required 4 or more operators, hence, the Nilfisk C1 changed everything and evolved the manner we clean forever. The brain behind these very first cleaning equipment remains unparalleled. Cleaning machines provide a brilliant solution to an existing crisis; stuff get dirty and should be cleaned regularly, without too much effort.

Slowly but progressively, Nilfisk-Advance developed through the years. In the 1980s, this growth actually happened the time the company became a part of the NKT Group. Their new owners' determination and concentration made Nilfisk-Advance take a huge leap forward within the industry, aspiring to be among the leading international players in the market of professional cleaning machines. Nilfisk-Advance is currently represented in every part of the world by steadily acquiring numerous smaller companies so as to develop their product range and presence in new markets. They are really proud to present a range of cleaning solutions to suit each and every requirement.
